Teddy

- Luxurious yarn
in the nicest colors

Soft like a dream and a yarn many have been longing for, to be used for knitting and crocheting baby ware, teddies and blankets.

A "fluffy" yarn, that doesn't require any special techniques or stitches to get a nice and chunky result. Use Teddy for cuddle animals to give them a real "teddy" look or knit/crochet a blanket for babies/toddlers.

Teddy has been awarded the AZO certificate and is thus a yarn that everyone can feel safe wearing.

100% Polyester,

Thread the yarn through the stitches. Sew the body together, but leave an opening at the top.

| 34.) | p | (15) |
| 35.) | *k2 tog* x 7, k1 | (8) |

Cut the yarn, pull the yarn through the stitches, pull them together and sew the head together except for a small opening. Stuff the head with toy stuffing.

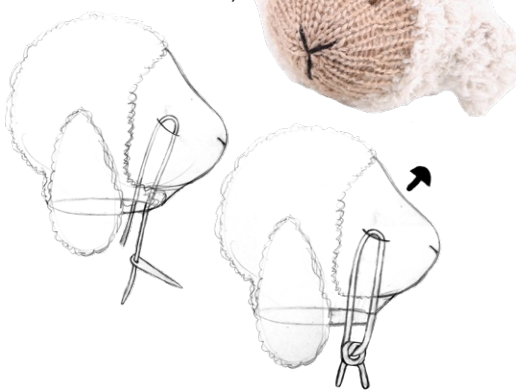

Shape the head and eye sockets by drawing a thread from the head's opening (where it will be sewn onto the body) to the placement of one of the eyes, lead the thread around a stitch, and back again. Tighten the thread to form an eye socket, and fix the thread ends by tying a knot. Repeat on the other eye. See ill.

Attach the safety eyes in row 27 and space them with approx. 6 stitches in between. The discs for the eyes are inserted from the inside, push them firmly, perhaps by using a coin.

Close the last opening.

Embroider a "Y" as a snout.

Sew the head onto the body.

| 27.) | *k2 tog* to end | (6) |

Thread the yarn through the stitches and sew the arm together.

Stuff the arm with toy stuffing with the exception of approx. the last cm. Pull together the opening at the top, and sew the arm onto the body.

LEG/FOOT (2 X)

Cast on 14 sts and work back and forth with Vintage (to be worked in stocking stitch until change of yarn).

- | | | |

- | | | |
|------------|--------------------|------|
| 12.) | k2 tog, k8, k2 tog | (10) |
| 13. - 27.) | k | (10) |

Cast off.

Sew the foot together. Start underneath the foot and sew the cast-on edge together, use small overcast stitches. Then sew together the remaining part of the foot using mattress stitch.

Gradually stuff the leg with toy stuffing as it is sewn together, but do not stuff the uppermost part too firm. Sew together the opening at the top, and sew the legs onto the body.

NB. There may occur small holes in connection with all the decreases on the foot. They can be closed by pulling them together with an end of leftover yarn from the foot.

TAIL

Cast on 4 sts and work back and forth with Teddy yarn (garter stitch)

- | | | |
|----------|---|-----|
| 1. - 4.) | k | (4) |
|----------|---|-----|

Cast off. Fasten the yarn at one end of the tail and use the other end of yarn to sew the tail onto the body.

BLANKET

The corners may be rounded.

Use blanket stitch for the edges.

If you want, embroider a small heart in one of the corners so that the heart's point is pointing in towards the corner.

Good to know

Needle Size & Tension

Knitters knit very differently: some knit with a needle size 2,0 mm and obtain the same size of design quality as a person who knits with a needle size 4,0 mm. We owe this knowledge to the team of knitters who join us.

The key to knit a specific size is a lot about the knitting style/hands/skills, rather than the size of needles.

Therefore, we will recommend a range of needle sizes.
